

DISCIPLESHIP TOOLS

INITIAL MEETING GUIDE

Go into this meeting...

1. PRAYED UP!

Remember what Jesus said in John 15:5 – “Without Me, ye can do NOTHING.”
This is His work! Just let Him work through you.

2. PUMPED UP!

Remember, this is “the work of the Lord” we’re doing! This is His MISSION!
This is why we are still on this planet! We are “allowed of God” (1 Thess. 2:4)
to carry out this ministry! Don’t forget the awesome privilege!

3. FREED UP!

Remember, this is all about a relationship. Don’t sweat “details” in this meeting!
Go into this meeting with the goal of simply making a friend...or moving deeper
in a relationship with someone who already is your friend.

Listen to them. Listen to their story. Seek to determine where they are in their
spiritual journey.

Be sure in this meeting to relate the pertinent information regarding the Lessons:

- Seven days to do five days of material
- Talk about the importance of the Memory Verse.
- Establish a specific time and place for discipleship on a weekly basis.
(If nothing else, nail down what time and place
you will meet to go over Lesson One next week!)
