

# DISCIPLESHIP TOOLS

## LESSON NINE GUIDE

1. Spend a few minutes "**CATCHING UP.**" (Listen for any way the enemy might be seeking to attack them, so you can apply the Word of God to their situation.)
2. Quote this week's **MEMORY VERSE:** Acts 20:28
3. Be sure your disciple grasps this week's **KEY THOUGHT.**  
*The local church is my spiritual family where God is able to perfect his work in my life and use me to minister to others.*
4. **FIVE KEY CONCEPTS TO EMPHASIZE IN THIS LESSON:**
  - A. My disciple is a **MEMBER OF NORTHWEST**, having attended the **MEMBERSHIP CLASS**, had an **INTERVIEW** with one of the pastors, and has been **PRESENTED** to the church body.
  - B. My disciple has a place of **ACTIVE SERVICE** in the church body where they are being used to **EDIFY OTHERS.**
  - C. I believe my disciple grasps the importance of **INVOLVEMENT IN** and **ACCOUNTABILITY TO** the local church.
  - D. My disciple functions within a **GROUP** in our church family (LIFE Group, Table Group in Man Up or Women's Ministry, group in which they serve, etc.) whereby they can **GIVE** and **RECEIVE** ministry of the "**ONE ANOTHER**" commands.
  - E. My disciple shows positive signs that they are being established in the third goal of discipleship by their faithful **ATTENDANCE** and in finding a place of **SERVICE.**
5. **PRAY** with them and for them.
